

ROWING CLUB OF THE WOODLANDS 2019 Adult Participant Form

As a non-profit organization, we rely on volunteers to get things done and keep things running. In order to keep our fees low, we ask all of our members to contribute a minimum of 12 hours of official volunteer time every year. We hope you choose to do more. There are many ways to fulfill your Volunteer Service Hours. Please see the RCTW Handbook for more information.

Dues include use of boats and equipment, equipment and boat purchases, repairs and maintenance, insurance, boathouse upkeep and US Rowing Club Membership. If you choose to compete, your membership fees do not cover uniform fees, regatta fees or travel and food expenses related to regattas. Questions on fees may be directed to Dee Hotop or Bert Pineda. Payments will be accepted through PayPal once you receive your invoice from the Treasurer. You may also pay by check however PayPal is preferred. Here is the PayPal link: [\[LINK\]](#)
